Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of October 21, 2019, to the Nodal Exchange Rulebook Appendix A (Contract Specifications). For ten (10) of its contracts, Nodal Exchange is extending the contract series from “Two May contracts, beginning with the year following the vintage year” to “October and November contracts of the vintage year and January, February and May contracts of the year following the vintage year, plus one additional May”. These revisions went into effect on October 22, 2019. These revisions have no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

The Nodal Exchange Rulebook Appendix A contract specifications for the revised contracts are attached hereto with the corrections noted in red on each of the contracts.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.

Sincerely,

/s/ Max Markotic
